

REP. ELIJAH PIERICK

I VOTED NO AND DID NOT SUPPORT THESE BAD BILLS THAT WON'T BECOME LAW

| | | | |
|----------------------------------|---|---------------------------------------|---|
| Sex Change Surgery | HB 2079 would allow sex change surgery (child mutilation), puberty blockers, and hormones for children to affirm their identified gender. It would also effectively make Hawaii a sanctuary state for these services. | Legalizing Marijuana | SB 3335 would legalize recreational marijuana. |
| Erasing Good Friday | SB 3319 designates January 17th as a state holiday (Reconciliation Day), and repeals Good Friday as a state holiday. | Sexual/Reproductive Healthcare | HB 1966 requires all health insurance providers to cover birth control, STI treatment and abortion. |
| Lower Marijuana Penalties | SB 2487 would lower penalties for possession and transfer of certain amounts of marijuana. | Capital Gains Tax | HB 1660 taxes capital gains income at the same rate as ordinary income, which will raise capital gains tax. |
| Menstrual Products | HB 2003 would require menstrual products in MEN's and women's public building restrooms. | Jaywalking | SB 2630 would allow pedestrians to jaywalk, making streets and drivers more dangerous. |
| | | Higher Electricity Costs | SB 2922 would result in up to 5% higher electricity costs. |
